Welcome back after the Easter break!

The Modern Foreign Languages Team at WJEC hope that you have had a chance to recharge your batteries and enjoy some spring sunshine! As we begin the busy summer term, we thought we would share some things with you. Please take a few moments to browse the newsletter for useful information and reminders.

Key dates for 2024

The Assessment Window for conducting GCSE and GCE Speaking Examinations runs from **Monday 8th April until Friday 10th May 2024**. Centres are reminded to upload their recordings to Surpass within 2 working days of completing the speaking exams.

The upload/submission deadline for **Vocational Languages** (Language Pathways and GBC) is **5th May**. Please take a few moments when uploading work to check that everything required is being submitted. This will ensure candidates' work can be sampled and moderated smoothly at this very busy time.

MFL speaking assessments

Information for centres accessing GCSE set allocations for candidates

The list allocating a set number to each candidate for the GCSE MFL speaking assessments can be accessed on [Portal](#). Please note that this information is confidential and must not be shared with candidates prior to the assessment.

Select the blue tab at the top of the Portal landing page entitled **ENTRIES** and scroll down the menu to find **GCSE MFL – Set Allocation**. Select the session, paper (language and tier) to view the set allocation list for your candidates. When you press the **PDF** icon to print out the list, the teacher and the candidate authentication forms will also be printed. The printed information must be stored confidentially and securely until required for the Speaking assessments.

Component 1 guidance documents

We advise centres to download the [GCSE Component 1 Teacher Guidance](#) and to complete the checklist at the end of the document.

Following the speaking assessment, the [MFL Centre Form](#) must be signed and dated by each candidate and the teacher. Both the **MFL Centre Form** and the **set allocation list** must be scanned and uploaded to the Surpass site after the final assessment has taken place. An

additional teacher/administrator key code is provided for this. Several forms can be uploaded using the same key code if the list needs to be copied for different teaching groups or teachers. The Component 1 exam papers can be accessed **three working days** before the date of your first exam, however they must be kept securely at the end of each day.

Component 2 Listening exams

Centres are reminded that there is an option to download mp3 tracks from [Portal](#) for listening exams. Please call **029 2026 5154** one working day before the date of the exam to receive the download code.

Component 4 Writing exams

From the 2024 exam series, a second and third option to Foundation tier Question 3 and a third option to Higher tier Question 2 will be offered. This change will give candidates a choice of one question from each broad theme for these questions.

Draft GCSE French, Spanish and German specifications available

Draft specifications are available for all our new modern foreign language (MFL) qualifications:

Revision Support for Candidates

There are a range of digital resources available on the **Resources** tabs on the Eduqas website subject pages for GCSE [French](#) / [German](#) / [Spanish](#) and GCE [French](#) / [German](#) / [Spanish](#).

Exam Walk Throughs (EWTs) are a free resource for both GCSE and GCE. These comprise visual and audio PowerPoint guides to the exams, put together by our experts. They are designed with the learner in mind to be used independently as part of remote or blended learning. Equally, teachers might find it useful to use as a group activity in class.

Teaching and Learning Guides are resources that continue to be available, produced by our experts as a suggested approach for using our online resources for teachers of French, German or Spanish. The aim is to provide flexible comprehensive support for teachers.

Exemplar candidate work is available on the 'Exemplar' tab of the subject pages of the website along with the marks and examiner feedback, leading you through a review of the exam questions. They will also include guidance on how examiner comments can be removed so that the materials can also be used as a teaching resource.

Access to past papers, mp3 files and mark schemes

Here is a reminder how to access the materials for Wales MFL GCSE/GCE on [Portal](#):

Log on to the WJEC Portal. At the top of the screen click on the 'Resources' drop-down menu and select 'Past Papers and Marking Schemes'. This will bring up an options box; please choose the relevant information:

Global Business Communication

The *new* revised qualification in Global Business Communication for first teaching in September 2022 is now up and running. Please see our website for full details including specification and Sample assessment materials: [Global Business Communication Webpage](#).

GBC Key Dates

Centres are reminded that the deadline for the submission of marks onto IAMIS for all NEA work is **5th May 2024**. Please refer to the [Internal Assessment Mark Input System step by step guide](#) for further information. Once IAMIS has generated a candidate sample list, work will need to be uploaded onto the [Surpass](#) system.

The candidate and assessor packs for the above NEA Units are available for download from [Portal](#). The Global Business Communication qualifications are unitised qualifications with non-examination assessment briefs that change every other year. **Centres should therefore enter candidates for moderation in the year in which they complete the assessment.**

To ensure that centres are not disadvantaged, we have taken a decision to extend the validity of the current Unit 1 Candidate and Assessor Packs to include the summer 2025 series. The current Candidate and Assessor packs available on Portal are therefore valid for the following assessment series:

Candidate Pack	Published	For submission in:
Unit 1	2022	Summer 2023 Summer 2024 Summer 2025
Unit 2 and 3	2023	Summer 2024 Summer 2025

The Unit 4 exams for French, German and Spanish will take place on **Friday 14th June**.

GBC Online Mock examinations

Mock online exams are available for all centres entering for Unit 4 GBC in 2024. Please contact E-Assessment@wjec.co.uk for details.

Language Pathways

These qualifications offer learners the opportunity to get formal recognition for their language learning. Students produce evidence to demonstrate their language competence from a choice

of three different themes which is internally assessed and externally moderated.
Available in a range of levels (Entry Level, Level 1 and Level 2) and languages:

French
German
Spanish
Italian

Mandarin
Japanese
Cornish

Language Pathways Training and Support

In October we ran a [training and support CPD](#) looking at task design, assessing and exemplar materials. This is now available to watch and download in the [Training>On Demand Courses](#) area of the website.

Language Pathways Summer Series 2024

The deadline to upload all candidate marks for Language Pathways onto IAMIS is the **5th May**; centres are reminded that they must upload the **candidate work**, a **task sheet** and the [candidate declaration form](#) for each candidate selected in the sample (those candidates showing 's' next to their names). Failure to do so will mean that the work cannot be moderated. Please refer to the [Internal Assessment Mark Input System step by step guide](#) for further information.
