

GCSE and GCE French, German and Spanish

Welcome back to the new Academic Year 2022/23.

The Modern Foreign Languages Team at WJEC Eduqas welcomes everyone to the new academic year. Hopefully there has been the opportunity to recharge the batteries ready for the new term and we thank everyone in education for their hard work and support during the last academic year. Following a challenging couple of years for teachers, learners and others involved in education, summer 2022 saw the return of formal exams for all. This will have been quite daunting for learners with many not sitting a formal examination before.

Changes to members of the MFL Team

We were delighted to welcome Jo Vincent earlier in the summer as a new member of the MFL team. Jo has taken over the post as Subject Officer for French following the retirement of our colleague Amanda Roberts, after many years' service. We are also delighted to welcome back Naomi Taylor as Subject Officer for German following maternity leave. We also sadly said goodbye to Hilary Potter who ably looked after German while Naomi was away.

Resources for Teaching and Learning

There are a range of digital resources available on the **Resources** tabs on the Eduqas website subject pages for GCSE [French](#) / [German](#) / [Spanish](#) and GCE [French](#) / [German](#) / [Spanish](#).

Exam Walk Throughs (EWTs) are a free resource for both GCSE and GCE. These comprise visual and audio PowerPoint guides to the exams, put together by our experts. They are designed with the learner in mind to be used independently as part of remote or blended learning. Equally, teachers might find it useful to use as a group activity in class.

Teaching and Learning Guides are resources that continue to be available, produced by our experts as a suggested approach for using our online resources for teachers of French, German or Spanish. The aim is to provide flexible comprehensive support for teachers.

Exemplar candidate work is available on the 'Exemplar' tab of the subject pages of the website along with the marks and examiner feedback, leading you through a review of the exam questions. They will also include guidance on how examiner comments can be removed so that the materials can also be used as a teaching resource.

Analysing candidates' results

WJEC Eduqas offers two services to help you understand your students' results and develop their exam skills: Exam Results Analysis and Online Exam Review.

Exam Results Analysis on the [secure website](#) allows you to compare your students' performance on each question with that of the candidature overall, letting you see where they have done well and where there might be room for improvement. To do this, under the 'Results' tab, click on 'View/Print Item Level Data' or 'View/Print Centre Performance' for comparable data.

As always **Online Exam Review** provides marked exemplars of candidate responses to key questions in an interactive format. These allow students to mark others' work and discuss ways in which it may be improved, thus developing their own skills.

Key dates

The Assessment Window for conducting GCSE and GCE Speaking Examinations will run from Monday 3rd April until Monday 12th May 2023.

CPD Autumn programme 2022
