# INTRODUCING OUR LIVE ONLINE CPD COURSES

eduqas
Part of WJEC

We are committed to supporting your continuing professional development by expanding our menu of courses online and making it easier for you to choose the right CPD options for you.

BOOKING YOUR PLACE!

Register for your course

To secure a place on one of our online courses, visit our CPD Training page and book onto your chosen course. Once registered, you'll receive an automated acknowledgment email confirming your place.

In the run up

Up to 10 days before, you'll receive another email telling you how to join the online training space, how to download pre-event materials and who to call should you have any technical difficulties.

On the day

Simply follow the link in the email, log in and take part.

TAKING PART!

Our simple-to-use online training space allows you to:

Watch, listen and learn

Watch live presentations, listen and learn from subject experts.

Discuss, network and share ideas

Take part in group discussions and polls, practise marking and chat with other colleagues.

Ask questions and download materials

Get answers to your questions throughout the session and download the support materials at any time for future planning or use in the classroom.
