

## GCSE and GCE French, German and Spanish

Welcome back to the new academic year 2020/21.

We hope that everyone has been able to relax over the summer period and recharge for the new academic year.

It has been tough for everyone in these unprecedented times, especially for teachers and learners. Thank you to all those who have kept in touch during the lockdown.

We recognise more than ever the need to support our teachers and learners. To this end staff at Eduqas have been very busy working to provide materials to help teachers and learners.

### 1. New Resources for Teaching and Learning

All of these resources below will be available in the **Resources** tabs on the Eduqas website subject pages for GCSE [French](#) / [German](#) / [Spanish](#) and GCE [French](#) / [German](#) / [Spanish](#).

#### Exam Walk Throughs (EWTs)

These are a free resource for both GCSE and GCE. These comprise visual and audio Powerpoint guides to the exams, put together by our experts. They are designed with the learner in mind to be used independently as part of remote or blended learning. Equally, teachers might find it useful to use as a group activity in class.

#### Teaching and Learning Guides

These are free resources that have been produced by our experts as a suggested approach for using our [online resources](#) for teachers of French, German or Spanish. The aim is to provide comprehensive support for teachers however they might have to conduct their teaching and learning during the coming year.

### Resource Booklets

These have been produced as quick guides to locating materials on our new website and on the Secure website.

### New 'Exemplar' Tab

Exemplar candidate work will soon be available on the subject pages of the website along with the marks and examiner feedback, leading you through a review of the exam questions. They will also include guidance on how examiner comments can be removed so that the materials can also be used as a teaching resource.

## 2. Online Exam Review

[Online Exam Review](#) provides a number of marked exemplars of candidate responses to key questions in an interactive format. These allow students to mark others' work and discuss ways in which it may be improved, thus developing their own skills. Exemplars from the Summer 2019 examinations will be available soon for GCSE and A level French, German and Spanish.

## 3. CPD Autumn 2020

Modern Foreign Languages (French, German and Spanish) Autumn programme

### Pre-recorded Webinars (a free resource)

We have been busy producing pre-recorded webinars as training materials to support teachers of GCSE and A level. *Mark Like an Examiner for GCSE Component 4* and *Mark Like an Examiner for AS/A level Component 3* provide useful information and practice materials for teachers wishing to improve their marking skills for these papers. They will be available on the French, German and Spanish GCSE and GCE pages of the website and have been written by experts with an in-depth practical knowledge of these components.

### Live CPD Webinars for Autumn 2020 (chargeable)

Due to the current ongoing situation, face-to-face training is not possible. However, we are providing two training opportunities during the autumn term for teachers. ***Listening and Reading Resilience*** for GCSE MFL teachers explores what it is, how it can help learners and how to develop it in the MFL classroom and is full of practical advice.

The second live webinar is for A Level MFL and is designed for ***classroom practitioners new to teaching film and literary works***. This is a practical guide, full of advice and suggested approaches for the *novice* in their first year of teaching Component 3 at AS/A level and has been written by an experienced practitioner in

these components. Although there is a modest charge for this it can be attended by the individual or accessed by a whole department.

To book your place on the live webinar courses or learn more, visit the [Professional Learning](#) pages on the Eduqas website.
